1

RESTORING EYE TREATMENT

You won't believe your eyes.

TWO WAYS TO APPLY RESTORING EYE TREATMENT

WITH COOL-TIP APPLICATOR

Directions: Squeeze the tube to dispense a small pearl-size drop of product onto the applicator tip. Using the cool metal tip applicator to smooth and massage product into the eye area.

WITH FINGER & APPLICATOR

Dispense a small pearl-size drop of product onto the applicator tip. Using your ring finger, dot product on eye area to be treated and use the cool metal tip applicator to smooth and massage product into the eye area.

WHEN TO APPLY: After YOUTH® Perfecting Skin Toner and prior to other Treatment products.

WHERE TO APPLY: Apply treatment on upper eyelid and browbone area and under the eye along the orbital bone to outer corner of eye area – treating expressive lines and crow's feet.

2

RADIANCE C+E

Use as an enhancement to the YOUTH Anti-Aging regimen.

Directions: Use once a day, morning or evening after Perfecting Skin Toner.

Gently twist off the tab and squeeze product onto your fingers and smooth over clean face. Follow with day or night moisturizer.

For those using the YOUTH Activating Serum, consider alternating the days you use the serum and the Radiance C+E if you have sensitive skin.

Twist & Squeeze

3

YOUTH ACTIVATING BB CREAM

Available in 4 blendable shades designed to provide coverage for all skin tones. Apply as a last step in your skin care regimen.

Apply to fingertip, placing small dabs of the BB Cream on your face in numerous places. Gently spread and smooth together for a flawless appearance. Apply once for a natural look or layer for more complete coverage.

Tip: For smoother blending, you may want to consider the YOUTH BB Cream Brush #52270 and/or YOUTH Cosmetic Wedge Sponges #52264.
